Change in Law: In April, 2014, legislation to exempt threading from the practice of cosmetology was enacted. The Session Law can be read at <https://www.revisor.mn.gov/laws/?id=169&doctype=Chapter&year=2014&type=0#laws.0.1.0>.

Proposed Changes to the Rules: The Board of Cosmetologist Examiners intends to adopt amendments to rules using the good cause exempt rulemaking process in Minnesota Statutes, Section 14.388, subdivision 1, clause (3) to comply with the legislative changes.

The proposed amendment will list threading as an unregulated service, and make changes to Minnesota Rules, parts 2105.0010, 2105.0100, 2110.0010 and 2110.0100. The proposed amendments are attached to this email. New language is underlined, and language to be deleted is crossed out in the draft.

Why the Good Cause Exemption is Being Used: The Board of Cosmetologist Examiners intends to adopt an amendment to rules using the good cause exempt rulemaking process in Minnesota Statutes, Section 14.388, subdivision 1, clause (3) to comply with the legislative changes. The good cause exempt rulemaking process authorizes the board to use a simpler process for rulemaking when the rule amendments incorporate a specific statutory change that needs no further interpretation. The Board is also using this process because the Session Law authorized the Board to use it.
